Nutrient members of interest (VIPs):

I have reserved room 406 in the Armory (1100 N. Last Chance Gulch) for all day Thursday. John N. Hochheimer, Ph.D. of Tetrattech will be here (another damn Ph.D). We have some good ideas to work on for the Private Demonstration of Economic impacts. I just wanted to let you know about Thursday. We may do some work Friday too. I will probably be the one to pick him up at the airport Wednesday evening. I will simply have George reimburse me out of his personal paycheck for the gas money and entertainment expenses.
